Dear Student,

On behalf of the faculty and staff at E.C.I., it is my pleasure to welcome you to our schools. We are pleased that you have chosen to attend our schools and study with us. We look forward to having you among our students.

This handbook has been created to help you become better acquainted with E.C.I. Intensive English Language Program.

ECI offers curriculum that helps the students improve their academic English language proficiency thus preparing them for their academic studies in American colleges and universities.

We welcome you warmly to our Program. We wish you academic success and abundance of cultural and fun experience while you are studying at ECI.

Sincerely,

Olga Aceska
Olga Aceska, President

Some Changes during Covid period

ECI operated via Zoom from march 2020 to July 30 2020. Starting August 3, 2020 ECI opted to conduct the classes only in person and has been doing so since then.

MISSION STATEMENT

The E.C.I. English Language Program exists to serve the international students by preparing them to use the English language for the academic, social, and cultural challenges of life in American colleges and universities.

ABOUT E.C.I.

Educational and Cultural Interactions, Inc. (ECI) was founded in 1996. ECI is accredited by the Commission on English Language Program Accreditation (CEA) and it is a member of English USA (AAIEP).

E.C.I. offers a curriculum that is consisted of core ESL classes which incorporate all the components of English language learning (speaking, reading, writing, listening) and academic elective classes that compliment the core classes and help with the set goals and outcomes to make the student ready to function successfully in a high academic environment.

E.C.I. offers exceptional student services helping the students with housing, transportation assistance, immigration counseling, academic counseling, general counseling per need, and a variety of cultural and fun activities throughout the students' stay.

E.C.I. staff and faculty on both campuses make sure that you are provided with high quality education and a fun cultural experience.

Upon completion of the highest Advanced Level coded ESL304 ECI students can enroll the following universities using the achieved advanced level in lieu of TOEFL or IELTS: University of Dallas; Texas Wesleyan University; Oklahoma City University; Dallas Baptist University; LeTourneau University; St. Edwards University; Texas Southern University; University of Texas at Tyler; Arkansas State University; Goshen College in Goshen, IN; American National University in Roanoke, VA. ECI also works with other universities to help the students achieve their academic entrance.

E.C.I. ENROLLMENT PROCEDURES FOR BOTH CAMPUSES

Admission Procedures

1. Complete the E.C.I. application. This form can be downloaded from our website, www.eciprograms.com. Click on "English Language Programs" box and look for "Apply Online". After you submit the inquiry, you will see links for three documents: Admission Application which applies to both campuses (on the 2nd page you need to circle the campus that you would like to attend) . There is a Statement of Support Form that should be completed and can also be emailed to you. You will complete the Admission application for the campus you are applying to as well as the Statement of Support.
2. Send the completed application and admission fee in the amount of \$250 to E.C.I. You can send it via e-mail: eci@ionet.net or by fax: 405-810-8714. You can also mail the application to E.C.I Main Campus, 1055 S. Sherman Street, Suite 140, Richardson, Texas 75081 or E.C.I Dallas Campus, 2735 Villa Creek Drive, Suite A-110, Farmers Branch, Texas 75234
3. Copy of your passport
4. Bank Statement and completed Statement of Support Form
5. Transcript from your last school
6. 2 Reference Letters (or complete the last 2 pgs. of the admission application)

Should you have any questions during the process of completing the application, you can always communicate with us at eci@ionet.net.

After the receipt of your application packet, E.C.I. will review the application and if accepted, E.C.I. will issue and send to you an acceptance letter along with the I-20 document.

After you receive the I-20, you have to apply to the nearest embassy/consulate of the United States of America for an F-1 Student Visa.

You have to pay the I-901 fee (known among the students as SEVIS fee) in the amount of \$350. You can pay this fee online by going to www.fmjfee.com. You have to show the receipt of your payment at your visa interview.

Please note that the visa application fee is separate from I-901 fee. For the visa application fee, please consult with the American embassy/consulate.

2.Late Enrollment

If accepted, E.C.I. English Language Program may allow the student to regularly enroll within the first week of the beginning of the session. If the student arrives at E.C.I. (refers to both campuses) in the period of mid-session, after the placement test the student may be allowed to audit the remainder of the session. The student will be then charged pro-rated fee.

Administrative document requests will be processed in approximately 5 business days.

Transfer Student

If you are currently a student on F-1 Visa attending one of the educational institutions in the United States and would like to transfer to E.C.I., please do the following steps:

1. Complete the E.C.I. application. Please follow the steps of the application process that is described above.
2. After E.C.I. accepts you, you will be provided a transfer form and an acceptance letter.
3. Take the completed transfer form and acceptance letter to the student advisor at the institution that you have been attending. Once the student advisor completes the transfer form, signs it and faxes it to E.C.I., then your record will be transferred in SEVIS from that institution to one of E.C.I. campus (for the campus to which you are applying).

C.O.S. (Change of Status)

E.C.I. strongly recommends that you speak to one of the staff members when filing for Change of Status. Although E.C.I. can help you with the process, E.C.I. can not influence the decision to approval or disapproval, that belongs to the Department of Homeland Security. ECI recommends students to get F-1 visa in their countries.

Reinstatement

Make an appointment with E.C.I.'s student advisor to discuss the reasons for initial loss of status . If practical, the school will support a student's application for reinstatement. The final decision will come from the Department of Homeland Security (SEVP).ECI will take cases that sound and document true reasons that the student was terminated.

1. Program Length and Structure

ECI ELP is a non-credit program offered all year around. ECI ELP has twelve levels: Beginning (divided into 4 sublevels); Intermediate (divided into 4 sublevels) and Advanced (divided into 4 sublevels).

Students are placed into courses based on their test scores. ECI ELP Curriculum has two components: Integrated Core Courses and Academic Elective Courses.

The schedule of classes is from 9:30AM to 3:00 PM Monday through Thursday. Friday is the day for advising as well as students who have need for help with assignments. The number of hours of instruction per session (25 academic hours per week = 100 academic hours per session: 1 academic hour =50 minutes) are adequate for students to achieve the student learning outcomes established for each session-level.

In addition, classes are generally small, with maximum teacher-student ration : 1:15 . The small classes allow teachers to give students plenty of individual attention and to review assignments very carefully. In class students take part in many communicative and experiential activities such as discussion and group project.

3. Grading Scale

E.C.I. uses a percentile grading scale to score each assignment, but classes are converted to a 4-point GPA scale which is tracked throughout the student’s stay at E.C.I.

Grading System			
A+ = 97-100	B+ = 87-89	C+ = 77-79	D+ = 67-69
A = 93-96	B = 83-86	C = 73-76	D = 63-66
A- = 92-90	B- = 80-82	C- = 70-72	D- = 60-62
GPA Scale			
A+ = 4.00	B+ = 3.25	C+ = 2.50	D+ = 1.75
A = 3.75	B = 3.00	C = 2.25	D = 1.50
A- = 3.50	B- = 2.75	C- = 2.00	D- = 1.25

Grades are

determined by quizzes, tests, project, and assignments evaluated by the course instructors. A passing grade must be earned in order to progress to the next level. A passing grade is considered 70% which enables a student to progress to the next level. If the students get D(60-69) the student will be conditionally progress with expectation to score at least 70%(C) in the following session.

Outcome-based Program

ECI ELP is an outcome-based program, following the guidelines and standards set forth by the English Language Program Accreditations. Following the educational model of Bloom's Taxonomy, the design of our curriculum begins with careful consideration of what the students will be expected to do in the American college classroom, from note-taking and fact-finding to oral presentations and research papers.

These academic skills then become the basis for the standards to which the students are held. In keeping with the guiding principles of outcome-based education, we believe that, while students begin at different levels and learn at different rates, all students can eventually meet the outcomes and succeed. Our outcome matrix is readily available and makes clear what is expected of students at every level and in every class.

Communicative Approach

In place of a simple lecture-style class setting, ECI ELP uses the modern communicative approach to language teaching. In the approach, successful interaction is the key, and students are encouraged to participate in classroom activities.

Methods include, but are not limited to: such things as task-based learning, in which students are placed in real-world situations much like those they will encounter both in and out of the college classroom. Students also engage in Learning by Teaching, which has been proven to be very effective by mobilizing intellectual resources in ways unattainable through a simple lecture-based approach.

Integrative Learning

The school day begins with the integrated ESL class from 9:30 am—12 Noon (Monday through Thursday). Rather than teaching reading, writing, listening, and speaking separately, ECI ELP employs an integrated curriculum for the 3-hour morning class. In the college classroom, all of these skills will have to be used, sometimes in turn and sometimes in unison.

For example, to effectively take notes, a student will need to be able to listen to the teacher, read the book or the professor's commentary, write the relevant information, and ask questions if necessary. It is therefore advantageous to teach all four skills together as a unit to best prepare the students for the realities of American higher education.

Academic Electives

From 12:20—3:00pm Monday through Thursday students attend academic elective classes. The academic elective classes compliment the morning core integrated class. These classes are assigned to levels to contribute with the strengthening of the skills particularly the reading comprehension, writing, and academic vocabulary.

Both the core classes and electives help the students establish the English language studies required to be successful in a high academic setting which is provided by colleges and universities.

Placement Test

ECI ELP uses a battery of tests that consist of Objective, Conversation and Essay Placement Test.. This test is administered upon the registration of the Program of Study. The student will be placed in the level according to the test score.

Michigan Placement Test (MPT) as an External test

ECI administers MPT as an external test every other session to measure the progress of the student and the achievement of the student learning outcomes. It is a diagnostic test to analyze the strength and weakness of the students' skills. MPT is a benchmark test for students of ESL 204 (Higher Intermediate Level) before the advance to ESL 301 (the Lower Advanced Level).

Student advancement

Student's progress is measured throughout each session by tests, quizzes, projects, homework, reports, and effort. Advancement depends on student's grades and test scores. To advance to the next level the student must receive at least C (70%). Students who receive 60-69%(D) will move up to the next level under a conditional basis. Those students on probation must achieve a 70% (C or higher) in the next session in order to advance. If a student fails (59% or lower) two consecutive sessions, he/she may be expelled or terminated. A meeting may be called to determine actions of resolution prior of the expulsion of the students. The student may be on academic probation based on the following criteria: a) Performance on Michigan Placement Test; b) Performance on both Integrated ESL Core classes and the Academic Elective Classes; c) Motivation; d) difficulties with acculturation; e) personal problems of the students at the time

Textbooks

For the Integrated ECI English Language Program uses vast variety of content based textbooks and coursebooks for the Integrated part of the classes as well as the academic elective part of the classes. The textbooks usually are a combination of grammar books, reading and comprehension text books and writing books; all different and appropriate for each level (beginning, intermediate and advanced).

Online resources are also used in both core and academic elective courses.

Faculty and Staff

ECI faculty members in both campuses hold either a Bachelor's or Master's degree in TESOL or Linguistics or related field with a TEFL/TESOL certificate and minimum of 2 years teaching experience . Many of ECI's instructors have experience teaching overseas and have a keen understanding of cultural differences and the process of language learning.

ECI has a very student- dedicated administrative and support staff (admission coordinators, student services coordinators, student activities coordinators, homestay coordinators, academic and program coordinators, program managing coordinator) who handle matters of admission, student services, academic, personal and immigration advising making sure that the students have all their needs met while studying at ECI.

For the universities in the State of Oklahoma the following rule applies: if a student scores 5.0 on IELTS and after that attends ECI for 12 weeks , the student will enroll any university in the State of Oklahoma without retaking the IELTS test.**

STUDENT ADVISING

ECI ELP offers Academic, Personal and Immigration Advising. The Program/Academic Coordinators and the Admission/Student Services Coordinators and the staff and faculty provide a warm and welcoming environment for all students to access the support that they need in achieving their academic goals and the best cultural experience. ECI coordinators, faculty, and staff work hard to create a family-like atmosphere for all international students.

Academic Advising

ECI renders Academic Advising to each student. The Coordinators talk to the students about their academic goals and tried to give them proper guidelines as to how they can achieve the goals. Students who have a hard time advancing are always invited to seek additional help after class hours between 2:00 and 5:00 pm. ECI faculty in both campuses are available for the students every day during that time so that they can help the students achieve their academic goals in learning and confirming their English language studies.

Personal Advising

ECI coordinators offer personal advising such as helping the student with acculturation, housing, driver's license, making sure that students are familiar with the local, state and Federal laws, helping students finding medical assistance when and if it is needed, etc.

Immigration Advising

The PDSO and the DSOs are available on a daily basis to help you understand, interpret the immigration regulations and laws so that you can maintain your student status. The following are the important factors that you need to know about F-1 student visa status:

Policy on Vacation

F-1 students are eligible for vacation once they have studied at E.C.I. for 26 academic weeks. During the summer break or winter break, as well as holidays, students may take vacation for the duration of the break but must return for the session following the break. The transferred students may be eligible for vacation after completing four (4) sessions at ECI and if their cumulative studies amount to 26 academic weeks at the time of the completion of 4 sessions. If a student plans to end or shorten ECI Program by returning to the home country or transferring to another school after their vacation, they may not apply for vacation. Instead they must return to their home country or start the transfer process.

Vacation requests must be submitted to the ELP Coordinator and PDSO using the E.C.I. Leave of Absence Form by the Monday of the 3rd week of the current session.

Policies regarding International Students

International students that attend E.C.I. Program hold an F-1 visa. F-1 visa students have to adhere to E.C.I.'s rules and regulations as well as to the regulations posted by the Department of Homeland Security. Please visit [HTTPS://STUDYINTHESTATES.DHS.GOV/MAINTAINING-YOUR-STATUS](https://studyinthestates.dhs.gov/maintaining-your-status) TO GET INFORMATION ON Maintaining Your Status

Attendance Requirements

Students are required to attend all classes, but we understand that there are times when you need to miss class. However, in order to be allowed to pass a level you must attend a minimum of 85%. That means that you can miss no more than 3 days per session . Each session is 4 weeks long. The minimum attendance required to pass a level is 85 academic hours out of 100 academic hours assigned per each session. A student must inform the Coordinator at least one day prior to being gone or absent. The class starts at 9:30AM Monday through Friday. If the student arrives in class after 9:45 he/she must report to the administration office in order to validate the lateness . The student may be allowed to enter the class immediately if there is a legitimate reason for being late (traffic jam, emergency situation , and the like). Otherwise the student will be given an assignment to work in the office lobby until the first break at 10:30 when he/she will be allowed to enter the class and will be counted absent for that part of the day.

Early departure from Class: If the student departs the class early the student will be counted absent if he/she has not reported legitimate early departure reason to the office.

Students are required to begin attending classes following their F-1 Change of Status (COS) approval.

A student must inform the ELP Coordinator at least one day prior to his/her planned absence.

Change of Address

Per the USCIS (Department of Homeland Security) requirements, any change of address must be reported to the school's Program Coordinator and the Principal Designated Officer or the Designated School Officer within 10 days. The PDSO or the DSO will update the address in the student's SEVIS record.

Transfers

A full time F-1 student must follow SEVIS procedures to transfer from one school to another. Students must notify their current DSO of their transfer plans, and the DSO will update the student's record in SEVIS as a "Transfer Out", indicating the school to which the student intends to transfer, and release date.

Transfer Out

F-1 students must request a transfer out by completing the E.C.I. Transfer Out Form, on or before the Monday of the last week of the current session, and must present proof of acceptance by the new school no later than the last day of the current session.

Per SEVIS, the release date will be the current session completion date. The current school will retain control over the student's record in SEVIS until the student completes the current term or reaches the release date.

Transfer In

Students can transfer in to ECI from another school by following the application process and having the ECI Transfer -In Form completed by the school student is transferring from in order ECI to verify the current student status. After admitting the student, ECI issues the Acceptance Letter and student is to enroll in he first ECI session that is available according to the Calendar.

4. Rules and Regulation and Rules of Conduct

Students are expected to be professional, respectful, and non-disruptive in class. A disruptive student diminishes the ability of other students to learn. If a student is disruptive, the instructor will issue one verbal warning. If a second disruption occurs, the instructor will ask the school coordinator to issue an *Academic Warning I*. This is a written warning which asks the student to give reasons for his/her disruptive behavior (or his/her low academic performance). The student will plan improving strategies with the school coordinator. If the student does not improve his/her behavior, or academic performance, an *Academic Warning II* will be issued. This is a serious step in the life of the student. The student may be expelled after this warning.

A student will be immediately expelled if he/she poses any immediate danger of physical harm to him/herself, other students, or staff/faculty or anyone else associated with the school or school property.

If a student is expelled he/she will not receive any refund from the current session.

Out of respect for the school, appropriate dress is required of all students. The director, at his/her sole discretion, will determine the appropriateness of a questionable outfit. The following would be considered inappropriate:

- Foul or offensive language printed on clothing written in any language.
- See-through blouses
- Shirts that expose the stomach area

Cell phones are a distraction to both instructors and students; therefore, cell phones are prohibited in class. They must be turned off and put away during class. If a student is caught using their cell phone the instructor will issue a verbal warning. If a student is caught a second time then the instructor will take the cell phone away for the remainder of the class period.

A student will be considered absent, if he/she is more than 15 minutes late to class without prior permission from the ELP coordinator.

The student is responsible for notifying the school of any changes of address, telephone numbers, email, fax number, and any other information within 10 days. This is required by law.

The student is responsible for all course change requests. If a course request is not submitted on time, students will be reenrolled into the appropriate sequence level course. All requests must be submitted in writing, signed by the student and/or parent/guardian, and submitted to the ELP Coordinator one (1) week prior to enrollment of the next session.

The student-to-teacher ratio in any class is 1:15. It is up to the discretion of the school whether to open a new class for 5 or fewer students.

5. Office Hours

Office hours are 8:30 AM to 5:00 PM Monday through Friday. The office is closed for major holidays and season breaks. For more information, please refer to your school calendar. Holidays include, but are not limited to: Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day, and New Year's Eve Day.

6. Weather

In case of inclement weather or emergency situations, students should call the school (469-872-0069 or 972.239.8555). The school telephone will have a message indicating any class changes or cancellations pertaining to both campuses (ECI Main Campus and ECI Dallas Campus in Farmers Branch). If classes are cancelled, a message will be available no later than 7:30 AM. E.C.I. is aware that some students may have to travel long distances to attend class. If weather is severe, please contact the school.

From Our Student Album

Dallas is the 3rd largest city in Texas, and the 9th largest city in the United States. The city possesses a rich cultural arts district and is home to several national athletic teams.

The state of Texas was Native American territory until it was claimed by the Spanish. Texas, along with Mexico, freed themselves from Spanish control in 1821. However, just fifteen years later, Texas also became independent of Mexico. The state of Texas was known as The Republic of Texas and was its own independent nation until 1845 when it was annexed by the United States of America.

The city of Dallas was founded by John Neely Bryan and is currently surrounded by a variety of vibrant neighborhoods. The opportunities for educational and cultural growth are numerous. Dallas is home to several outstanding colleges and universities and has many arts centers and museums.
